- Tenders for 2025
- Christmas Closure Period

## A MESSAGE FROM THE TEAM

**Welcome to this special end-of-year edition of the Regional Procurement Newsletter, in which we would like to express our sincere gratitude and to share exciting news for 2025.**

Firstly, we would like to take the opportunity to thank all our valued suppliers and Councils for your ongoing support throughout 2024. We are so pleased we have been able to work with, and support, you while celebrating our 20th year of service.

We also send a special thank you to our Manager Michael Lowe, whose gracious leadership kept our team moving forward throughout 2023 and 2024. After decades of dedication to procurement in Local Government and, in more recent years Regional Procurement, Michael has now commenced a well-deserved life of retirement. He has asked us to wish you all the very best for the year ahead.

We are pleased to announce our new Manager, Joseph Corrigan, will commence at Regional Procurement on 6th January 2025. Joseph will bring with him extensive experience in procurement, supply chain management and leadership. He is known for successfully leading strategic initiatives and delivering transformative results across diverse industries. He looks forward to getting in touch with you once he settles in.

For the rest of us, it's business as usual at Regional Procurement. Tender processes for contracts commencing in early 2025 are being finalised by our Account Managers and preparation for mid-year contracts has commenced.

If you have any enquiries in relation to existing contracts, proposed new tenders and contracts, or if you wish to clarify other services we provide, please don't hesitate to contact us. You will find each person's contact details at <https://regionalprocurement.com.au/about-us/our-team/>

Please note we will be working up until 20 December and then on holidays until Monday 6 January 2025.

During this period, we all wish you a very merry Christmas and a happy, a safe New Year and relaxing holiday period

We look forward to working with you throughout 2025.

Kind Regards. the Team at Regional Procurement

### A Message from Joseph Corrigan

"I'm thrilled to be joining Regional Procurement at such an exciting time. I look forward to working alongside our talented team and valued partners to build on the strong foundation already in place. Together, we'll continue to innovate, grow, and deliver exceptional services for our clients and stakeholders in the years ahead."
